Unit 8 Extension worksheet

1 Przeczytaj e-mail. Czy Andy'emu podobały się jego minione wakacje?

Hi, Tom.

How are you? I had a great holiday last week. My family and I went to New York in the United States. It's an amazing city.

We travelled there by plane. It was a very long journey. When we arrived in New York, our bags weren't there. Mum was worried, but my sister and I didn't mind. We went to a department store and we bought some cool new clothes. Then we went to our hotel. Our room was huge. We looked out of the window and we saw the Empire State building. It was incredible!

When we woke up the next morning, Dad called the airport and there was good news. Our bags were there. We collected our bags and then we went sightseeing. We visited the Statue of Liberty and we walked around Central Park. When we got back to the hotel, we were very tired, but we didn't want to sleep. We went out for dinner and ate delicious steaks.

How was your holiday in Australia? Did you have fun? What did you do there?

Write soon and tell me all your news.
